SHORT COURSE TRAINING OFFERED BY MECHANICAL DEPARTMENT FY 2023/2024

S/N	SHORT COURSE TITLE	DURATI ON	FEE	ENTRY QUALIFICATION	ENTRY/START ING TIME	Contact Person
1	Hydraulics and Pneumatics Systems	2 weeks	1,200,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540

S/N	SHORT COURSE TITLE	DURATI ON	FEE	ENTRY QUALIFICATION	ENTRY/START ING TIME	Contact Person
2	Basics of Arduino and VFD	2 weeks	1,500,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
3	Laboratory Management	2 weeks	1,200,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
4	Basic Training on Programmable Logic Controllers (PLC)	5 days	1,000,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
5	Maintenance of Pressure Control Equipment	2 weeks	1,200,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
6	Welding and Metal Fabrication	5 days	700,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
7	Design and Maintenance of Refrigeration Air Conditioning Systems	5 days	800,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
8	Plumbing and Pipe Fittings (for beginners)	3 weeks	1,800,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
9	Fitter Mechanics	5 days	700,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
10	Identification of Gemstone	2 weeks	500,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
11	Gemstone Cutting	2 weeks	800,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540

S/N	SHORT COURSE TITLE	DURATI ON	FEE	ENTRY QUALIFICATION	ENTRY/START ING TIME	Contact Person
12	Maintenance of machine tools	1 week	700,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
13	Servicing and Installation of Modern Refrigeration Systems	5 days	800,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
14	Basic Water Pump Mechanics	5 days	600,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
15	Basic Operation and Function of Control Valves	2 weeks	1,200,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
16	Computer numerical control (CNC) machine training	2 weeks	2,000,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
17	Operation and Maintenance of Pressure Control	2 weeks	1,200,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
18	Installation, Servicing and Maintenance of Modern Refrigeration and Air Conditioning Systems	2 weeks	1,600,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
19	Advanced Autocad and Solidworks	2 weeks	1,600,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
20	Operations, Troubleshooting and Maintenance of Gas Pressure Control System	2 weeks	1,200,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540

S/N	SHORT COURSE TITLE	DURATI ON	FEE	ENTRY QUALIFICATION	ENTRY/START ING TIME	Contact Person
21	Intermediate Programmable Logic Controller (PLC) Programming	2 weeks	2,400,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
22	Gas Distribution Networks Maintenance and Facilities Painting	2 weeks	1,200,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
23	Oil and Gas Pipeline Operations and Maintenance for Instrumentation and Control System	2 weeks	1,200,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
24	Generator Maintenance Mechanics	1 week	800,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
25	Gas Welding	1 week	800,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
26	Operations of Water Supply Systems and Maintenance of Water Infrastructure	2 weeks	1,200,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
27	MIG and TIG Welding	2 weeks	2,000,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
28	3D Design for 3D Printing (practical)	1 week	1,000,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
29	Basics of Automation, PLC and SCADA	2 weeks	2,000,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540

S/N	SHORT COURSE TITLE	DURATI ON	FEE	ENTRY QUALIFICATION	ENTRY/START ING TIME	Contact Person
30	Common Occupational Skills	2 weeks	1,200,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
31	Process Measuring and indicating Devices	2 weeks	2,000,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
32	Process Management, Instrumentation and Process Control	2 weeks	2,000,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
33	Advanced electro-hydraulic and electro-pneumatic systems	2 weeks	2,000,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
34	Final Control Devices	2 weeks	2,000,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
35	Optimizing PLC Communication Systems and Device Integration.	2 weeks	2,000,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
36	Safety and Security Systems and Devices	2 weeks	2,000,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
37	Mastering Electrical Drives: A Comprehensive Short Course for Precision Control and Efficiency	2 weeks	2,000,000/= per participant	Engineers, Technicians and artisans.	Any Time	0763 868 540
38	*Tailor-made courses	To be decided	To be decided	Engineers, Technicians and artisans.	Any Time	0763 868 540

1.	Domestic Electrical Installation for beginners.	04 Weeks	400,000/=	Standard Seven and above	Any time	Eng. Nkola I 0767252035
2.	Industrial Electrical Installation for beginners.	04 Weeks	400,000/=	Standard Seven and above	Any time	Eng. Nkola I
3.	Electrical Installation and Maintenance of Electrical Systems for professionals.	02 Weeks	1,200,000/=	Electrical/ Electronics/ Biomedical/ Computer Artisan, technicians, Engineers and any courses	Any time	0767252035
4.	Industrial Electrical Installation and Automation for professionals.	02 Weeks	1,200,000/=	Electrical/ Electronics/ Biomedical/ Computer Artisan, technicians, Engineers and any courses	Any time	Eng. Nkola I
5.	Electronics for professionals	02 Weeks	1,200,000/=	Electrical/ Electronics/ Biomedical/ Computer Artisan, technicians, Engineers and any courses	Any time	0767252035

6.	Basic Electronics	04 Weeks	400,000/=	Standard Seven and above	Any time	Eng. Nkola I
7.	Electronics for Beginners	03 Months	600,000/=	Standard Seven and above	Any time	0767252035
8.	Electronics Intermediate	03 Months	600,000/=	Basics in Electronics	Any time	Eng. Nkola I
9.	Advanced Electronics	03 Months	600,000/=	Intermediate course in Electronics	Any time	0767252035
10.	Refrigeration and Air Condition for professionals	2 Weeks	1,200,000/=	Biomedical/ Electrical/ Mechanical, Electronic artisan, technicians and Engineers and any other related courses	Any time	Eng. Nkola I

11.	Refrigeration for beginners	2 Weeks	400,000/=	Standard Seven and above	Any time	0767252035
12.	Air Condition for beginners	2 Weeks	400,000/=	Standard Seven and above	Any time	Eng. Nkola I
13.	Transformer and Motor Rewinding for professionals	2 Weeks	1,200,000/=	Standard Seven and above	Any time	0767252035
14.	Transformer Designing and Rewinding for beginners	4 Weeks	600,000/=	Standard Seven and above	Any time	Eng. Nkola I
15.	Motor Rewinding for beginners	4 Weeks	600,000/=	Standard Seven and above	Any time	0767252035

16.	Biomedical Equipment Repair and Maintenance.	04 Weeks	600,000/=	Biomedical/ Electrical/ Electronic artisan, technicians and	Any time	Eng. Nkola I
				Engineers and any other related courses	Any time	0767252035
17.	Biomedical Equipment Repair and Maintenance for professionals.	02 Weeks	1,200,000/=	Biomedical/ Electrical/ Electronic artisan, technicians and Engineers and any other related courses	Any time	Eng. Nkola I
18.	Stand Alone PV Systems short course	02 Weeks	400,000/=	Reading and Writing	Any time	0767252035
19.	Stand Alone PV Systems short course for Professionals	02 Weeks	1,200,000/=	Renewable Energy/ Electrical/ Mechanical/ Electronics artisan, technicians and Engineers and any other related courses	Any time	Eng. Nkola I

20.	Off-Grid Hybrid Renewable Energy Systems for professionals	02 Weeks	1,200,000/=	Renewable Energy/ Electrical/ Mechanical/ Electronics artisan, technicians and Engineers and any other related courses	Any time	0767252035
21.	PLC for Hydropower plant operation Professional	02 Weeks	1,200,000/=	Renewable Energy/ Electrical/ Mechanical/ Electronics artisan, technicians and Engineers and any other related courses	Any time	Eng. Nkola I
22.	Programmable Logic Controller (PLC) for professionals	02 Weeks	1,200,000/=	Renewable Energy/ Electrical/ Mechanical/ Electronics technicians and any other related courses	Any time	0767252035
23.	Hydropower Plants Operation and Maintenance for Beginners.	3 Months	600,000/=	Standard Seven and above	Any time	Eng. Nkola I
24.	Hydropower Plant Condition Monitoring and Diagnostic for professional.	02 Weeks	1,200,000/=	Renewable Energy/ Electrical/ Mechanical/ Electronics technicians and any other related courses	Any time	0767252035

25.	Solar Water Pumping System Design and Installation-Professional Course	02 Weeks	1,200,000/=	Renewable Energy/ Electrical/ Mechanical/ Electronics technicians and any other related courses	Any time	Eng. Nkola I
26.	Solar Water Heating System Design and Installation-Professional Course	02 Weeks	1,200,000/=	Renewable Energy/ Electrical/ Mechanical/ Electronics technicians and any other related courses	Any time	0767252035
27.	Wind Turbine Installation and Maintenance-Beginners.	06 Weeks	600,000/=	Reading and Writing	Any time	Eng. Nkola I
28.	Wind Turbine Installation and Maintenance – Professional Course	02 Weeks	1,200,000/=	Renewable Energy/ Electrical/ Mechanical/ Electronics technicians and any other related courses	Any time	0767252035
29.	Printed circuit boards design for beginners	02 Weeks	600,000/=	Anyone with Basics in Electronics	Any time	Eng. Nkola I

30.	Professional (3D)Printed circuit boards design (Altium designer)	05 Days	800,000/=	Anyone with Basics in Electronics	Any time	0767252035
31.	Television and Computer Monitors repair	04 Weeks	600,000/=	Standard Seven and above	Any time	Eng. Nikola I
32.	Microcontroller Application	02 Weeks	600,000/=	Standard Seven and above	Any time	0767252035
33.	Microcontroller Application for professionals	02 Weeks	1,200,000/=	Basics in Electronics/Computer/ Electrical	Any time	Eng. Nikola I
34.	Electrical Beginner	3 Months	600,000/=	Reading and Writing	Any time	0767252035

35.	Electrical intermediate	3 Months	600,000/=	Basics in Electrical	Any time	Eng. Nkola I
36.	Electrical Advanced	3 Months	600,000/=	Intermediate course in Electrical	Any time	0767252035
37.	Egg Incubator Design and Fabrication	02 Weeks	600,000/=	Reading and Writing	Any time	Eng. Nkola I
38.	Power Inverters, Power Backup & UPS design, installation and maintenance	04 Weeks	1,200,000/=	Anyone with basic Electricity or Electronics	Any time	0767252035
39.	LED Display boards design, Construction and maintenance	02 Weeks	400,000/=	Reading and Writing	Any time	Eng. Nkola I

40.	Safety Health and Environment at Work place	02 Weeks	1,200,000/=	Artisan, Technicians and Engineers in Engineering field and any related field	Any time	0767252035
41.	Generator Installations, Service and Maintenance	02 Weeks	1,800,000/=	Artisan, Technicians and Engineers in Mechanical/Electrical/Electronics/ Telecommunication	Any time	Eng. Nkola I
				Engineering field and any related courses	Any time	0767252035
42.	Radio communication Systems	02 Weeks	1,200,000/=	Artisan, technicians, Engineers in Electrical/ Electronics/ Computer/ Telecommunication and any other related field	Any time	Eng. Nkola I
43.	Mobile Communication	02 Weeks	1,200,000/=	Artisan, technicians, Engineers in Electrical/ Electronics/ Computer/ Telecommunication and any other related	Any time	0767252035

				field		
44.	Advanced Wireless Technologies (4G & 5G)	02 Weeks	1,200,000/=	Artisan, technicians, Engineers in Electrical/ Electronics/ Computer/ Telecommunication and any other related field	Any time	Eng. Nkola I
45.	Air Navigation systems	02 Weeks	1,200,000/=	Artisan, Technicians and Engineers in related field	Any time	0767252035
46.	CCTV Camera security system Design and Installation	02 Weeks	600,000/=	Reading and Writing	Any time	Eng. Nkola I
47.	Access Control devices for beginners	02 Weeks	600,000/=	Reading and Writing	Any time	0767252035

48.	Alarm Systems for beginners	02 Weeks	600,000/=	Reading and Writing	Any time	Eng. Nkola I
49.	Digital CCTV Security system design, installation	02 Weeks	1,200,000/=	Computer/Electrical/Electronics/	Any time	0767252035
	and maintenance for professionals			Telecommunication Technician and any other related field	Any time	Eng. Nkola I
50.	Security Systems design and installation(CCTV systems, Access Control devices, Alarm Systems) for professionals	03 Weeks	1,800,000/=	Computer/Electrical/Electronics/ Telecommunication Technician and any other related field	Any time	0767252035
51.	Optic fiber Cable and Systems	02 Weeks	1,200,000/=	Electrical/Electronics/ Telecommunication Technician and any other related courses	Any time	Eng. Nkola I
